## The Value of An PHARMA for Woman

The value of a pharmaceutical product ("An PHARMA") specifically designed for women?  
A company or brand called "An PHARMA" and its value in the women's health space?  
Or maybe something else entirely  
(like a slogan or campaign title: "The Value of An PHARMA for Woman")

<p><b>Confidence</b> An experience that reveals your strengths and fortifies you for future challenges</p>		<p>The global women's health market was valued at \$48+ billion in recent years and is expected to surpass \$58 billion by 2030.</p>
<p><b>Credibility</b> A testament to your successful pursuit of business knowledge, practice and excellence</p>		<p>Femtech alone (tech + pharma solutions for women) is a rising star, with companies raising billions in VC funding.</p>
<p><b>Expertise</b> Gaining business analytical decision-making and leadership skills</p>		<p>गांव की बेटीयों को PHARMA पढ़ाओ, देश का PHARMACIST बनाओ!!</p>
<p><b>Advancement</b> Realizing your career potential and having an advance degree that is flexible and portable</p>		
<p><b>Networking</b> Lasting connections and invaluable relationship with follow business leaders</p>
